For your convenience and benefit, the State of North Carolina offers payees the opportunity to receive future payments electronically, rather than by check. Your payments will be deposited into the checking or savings account of your choice. In addition to having the money deposited electronically, you also will be notified of the deposit either by fax or by e-mail. The fax or e-mail will provide you with all the information that would normally be on your check stub. To receive payments electronically, you must print, complete this form, attach a voided check and return both to the address above.
