

Downtown Revitalization

1	City of Burlington Downtown Streetscape Project	City of Burlington (Alamance County): \$425,000 grant will support a downtown streetscape enhancement including sidewalk replacement, curb and gutter replacement, street tree grates, curb ramps for handicapped accessibility, curb extensions for enhanced pedestrian safety along with outdoor dining and entertainment opportunities.
2	Town of Jefferson Town of Jefferson Pedestrian & Park Improvements	Town of Jefferson (Ashe County): \$270,000 grant will support a project that will enhance the walkability of downtown and the first step toward larger streetscape improvements. Two blocks of East Main Street will have sidewalks, curb and gutter replaced.
3	Town of Belhaven Belhaven Waterfront Prosperity Project	Town of Belhaven (Beaufort County): \$380,000 grant will support infrastructure improvements to the Pamlico Street waterfront park. A covered stage area, public restrooms, and parking will be added to create a community public space that will connect two key parcels and the downtown business district.
4	City of Morganton North Green Street Landscape	City of Morganton (Burke County): \$450,000 grant will help improve three blocks of North Green Street between East Union Street and Fleming Place. The downtown project includes sidewalk extensions for outdoor dining and streetscape improvements.
5	Town of Boiling Springs Boiling Springs Downtown Courtyard Project	Town of Boiling Springs (Cleveland County): \$195,000 grant will support converting a downtown parking lot to a courtyard, creating an inviting public gathering space for locals and visitors to enjoy local fare and events.
6	City of Whiteville Lewis Smith Property Community Impact Project	City of Whiteville (Columbus County): \$400,000 grant will build a downtown community gathering space for events by building a bandshell pavilion on the former Lewis Smith Shopping Center property.
7	Town of Franklinton Downtown Franklinton Revitalization Project - Phase 1	Town of Franklinton (Franklin County): \$230,000 grant will support Phase 1 of a project that will create an inviting and pedestrian friendly environment in the downtown area. New sidewalks, streetscape improvements, pedestrian safety enhancements, lighting, and improved accessibility are included in the revitalization effort.
8	Town of Canton Reimagining Downtown Canton, Sorrells St. Park Corridor	Town of Canton (Haywood County): \$390,000 grant will support the redevelopment of 225 Park Street, a 7,184 SF abandoned building and a 11,919 SF adjacent lot. Building rehabilitation to expand the farmers market and sidewalk improvements to connect to an adjacent municipal park and future greenway expansions will serve the public and support small business development.

9	<i>City of Archdale</i> Aldridge Park - A Sandlot Reimagined	City of Archdale (Randolph County): \$180,000 grant will add infrastructure and walking trails to the development of an acquired public gathering space for recreational facilities. The anticipated outcome will aid Archdale's efforts to diversify the economy and become more resilient, as private investment is expected to be driven by this new amenity.
10	<i>City of Clinton</i> Revitalizing Clinton's Historic Downtown Theatre	City of Clinton (Sampson County): \$350,000 grant will support a project to rehabilitate Clinton's Historic Downtown Theatre located at 115 Fayetteville Street. The renovation includes balcony and façade improvements, restoring two window openings, removal and historically accurate replacement of the marquee hip roof resulting in preserving the Theatre's historic character.
11	<i>City of Albemarle</i> Five Points Redevelopment Project	City of Albemarle (Stanly County): \$270,000 grant will support downtown revitalization improvements including new sidewalks, installation of tree wells and decorative lighting. The anticipated outcome will make the area safer for pedestrians and will promote traffic calming and improved pedestrian amenities for the Pfeiffer Campus and surrounding businesses.
12	<i>City of Mount Airy</i> Mill Street Streetscape Initiative	City of Mount Airy (Surry County): \$475,000 grant will support a transformational initiative in downtown that will connect Historic Main Street to the Mill District. Improvements to Franklin Street include burying overhead power lines, flex concept sidewalk, lighting and creating ADA accessibility.

Community Enhancement

1	Town of Elizabethtown Ace Wrecker Project	Town of Elizabethtown (Bladen County): \$150,000 grant will support the acquisition and clearance of the Ace Wrecker property which was used as a salvage and holding lot. This project would remediate any contaminants, clear and grade to build 18 workforce housing apartment units. This award is a re-appropriation, due to scope adjustment, of an earlier RTGF award to Elizabethtown.
2	Town of Cramerton River Link Trail Extension	Town of Cramerton (Gaston County): \$400,000 grant will support funding to construct approximately 2,150 linear feet of 10' wide asphalt greenway trail. Project includes land acquisition, and construction of and "event barn" with parking and septic, landscaping and lighting.
3	Town of Cameron Cameron Dewberry Barn Project	Town of Cameron (Moore County): \$400,000 grant to support the acquisition of a 6.05-acre corner lot, that is adjacent to the town's only municipal-owned park. The Town would also like to construct an open air pavilion to be utilized as a rental space, generating revenue for the Town.
4	City of Hamlet City Lake Trail Extension Project	City of Hamlet (Richmond County): \$400,000 grant will support funding to assist in the implementation of Hamlet's City Lake master plan and will focus on the completion and resurfacing of the current trail around the lake to convert and create multi-use paths which will need grading and drainage.
5	Town of Wagram Downtown Wagram Property Acquisition & Demolition Project	Town of Wagram (Scotland County): \$70,000 will support the acquisition and demolition of a vacant space. The property would then be transformed into an open air market space with a pergola and greenspace.

Resilient Neighborhoods

1	Town of Hildebran Hildebran Auditorium Renovations Project – Construction	Town of Hildebran (Burke County): \$300,000 grant will support the renovation of the Town's auditorium. The project intends to create more cultural and economic opportunities within the community. Renovations will seek to provide ADA accessibility and enhance the usability of the existing auditorium.
2	Town of Hudson HUB Station Improvements Project	Town of Hudson (Caldwell County): \$250,000 grant will support the up-fit of the kitchen in the Hudson Uptown Building (the "HUB", and town-owned arts and business center) for partnership with the CCC&TI Culinary Arts training program and to provide food truck vendors and other food entrepreneurs a certified kitchen for food preparation for their businesses.
3	Town of Nags Head South Virginia Dare Trail Multi-Use Path Maintenance	Town of Nags Head (Dare County): \$650,000 grant will support South Virginia Dare Trail Multi-Use Path Maintenance (MUP) survey, design and construction to address path condition and best meet ADA needs by reconstructing portions of the asphalt surface of the MUP. This is part of a statewide pedestrian network of trails the Town is looking to preserve.
4	Town of Faison Revitalizing Faison's Community Hub	Town of Faison (Duplin County): \$180,000 grant will support the transformation of a public park to re-establish it as the sole public recreational facility by improving the public facilities in the park.
5	Town of Williamston Williamston River Landing	Town of Williamston (Martin County): \$180,000 grant will support the property redevelopment called Williamston River Landing. The project will assist with the completion of the river boardwalk expansion section between Moratoc Park and NC Wildlife Boating Access area, a golf course, and dog park.
6	Town of Star Star Memorial Park Improvements Phase 1	Town of Star (Montgomery): \$200,000 grant will support the grading, site work, and parking improvements for the Star Memorial Park. This new parking lot will include handicap spaces and the proposed trail will make it much easier to access for handicap persons. This will allow easier access for all parkgoers to the pavilion for events

7	Town of Bethel Smith Street Park	Town of Bethel (Pitt County): \$200,000 grant will support continued development of the Smith Street Park. Improvements includes playground equipment, an upgraded basketball court, sports equipment, a walking trail, gazebo, picnic shelters, a storage facility for equipment, a pollinator garden, and many other amenities to address the needs of a safe outdoor space for residents.
8	City of Reidsville Maker Space and Community Kitchen	City of Reidsville (Rockingham County): \$250,000 grant will support the Depot District Master Plan by converting the school into a public artist makerspace and a community kitchen as well as community theatre and greenspace. Plans are to convert the playground and surrounding grounds into a park area and community garden. The idea is to create an artistic community within the makerspace, and the community kitchen to supply a much-needed workspace for small business entrepreneurs who are trying to produce food products to sell to the public.

Rural Community Capacity (RC2)

1	Town of Hildebran Hildebran Auditorium Renovations Design	Town of Hildebran (Burke County): \$49,500 will be used to create architectural plans to support the renovation of the historic Hildebran High School auditorium. The auditorium will be used by the Town to create cultural and economic opportunities within the community.
2	Town of Carthage Town of Carthage Rural Capacity Implementation	Town of Carthage (Moore County): \$49,999 will be used to sufficiently implement the Rural Transformation Grant that was received in December of 2022.
3	Town of Vass Vass Downtown Pocket Park	Town of Vass (Moore County): \$49,999 grant will be used to design and develop a small pocket park near downtown.
4	Town of China Grove Downtown Revitalization Implementation Planning	Town of China Grove (Rowan County): \$49,999 will be used to support the planning and design of the previously awarded RTGF Downtown Revitalization category to provide a new streetscape on our core center city blocks, initialize wayfinding efforts, and enhance the pocket park.
5	Town of Marshville Comprehensive Economic Development Study	Town of Marshville (Union County): \$49,999 grant will be used to provide Marshville with funding to complete a Comprehensive Economic Development Study that will provide guidance to local leaders on future economic development opportunities.
