What are the topics you are thinking about these days?

- Housing
- Economic outlook for 2022
- Content/quality of private data sources
- Who is hiring people with disabilities?
- Job search process and how employers can get applicants and new hires
- Using tools for advising high school students and entering into fields that are newer
- Growth industries
- Cost of living especially in urban areas

What are the topics you are thinking about these days? (continued)

- Remote learning and working
 - Connectivity for rural areas
 - Commuting
- Disconnect between jobs out there, but nobody being called for interviews
- Industries for justice involved individuals
- Farming industry (employment statistics, geographical and seasonal shifts)
- Growing industries with covid influences
- Self employment
- Economic development incentives, JDIG

Asking about some topics of interest

- Overview of the workforce system
- Using data tools for the economy
- Demographic trends to consider
- How economic development projects work
- Workforce Development Boards overview
- What Business Services Representatives do
- NCWorks Career Centers and Voc. Rehab- How do they work together?
- What Professional Development Opportunities are available through the NCWorks Training Center?

Some of LEAD's ideas

- Data release corner
- Data product refreshers
- Career information sessions
- Deeper dives for concepts
- Guest speakers
- Repeat sessions

Topic for January 18
