Computers and Electronics
Administration and Management

Experience

A considerable amount of work-related skill, knowledge, or experience is needed.

Training

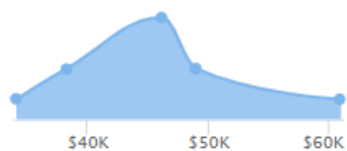

Usually several years of work-related experience, on-the-job training, and/or vocational training.

Dental Assistants have many tasks, including patient care, recordkeeping, and appointment scheduling. Their duties vary by state and by the dentists' offices in which they work.

What do they typically do

- ✓ Ensure that patients are comfortable in the dental chair
- ✓ Prepare patients and the work area for treatments and procedures
- ✓ Sterilize dental instruments
- ✓ Hand instruments to dentists during procedures
- ✓ Dry patients' mouths using suction hoses and other equipment
- ✓ Instruct patients in proper oral hygiene
- ✓ Process x rays and complete lab tasks, under the direction of a dentist
- ✓ Keep records of dental treatments
- ✓ Schedule patient appointments
- ✓ Work with patients on billing and payment

Annual Salary (Wages)

Lower End Wage (10th Percentile)

\$34,090 (\$16.39/hr)

Middle Wage (50th Percentile)

\$46,140 (\$22.18/hr)

Higher End Wage (90th Percentile)

\$60,950 (\$29.30/hr)

Work Place

Dental assistants wear safety glasses, surgical masks, and gloves to protect themselves and patients from infectious diseases. They must also follow safety procedures to minimize risks associated with x-ray machines. Most dental assistants work full time. Some work evenings or weekends, depending on the office where they work.

The screenshot displays the NCcareers.org interface. At the top, a search bar contains the text 'Dental Assisting/Assistant'. Below the search bar, it states '18 out of 110 Colleges/Universities offer this program/degree'. To the right of the search bar, there are three filter checkboxes: 'Public Universities' (checked, with a green circle icon and the number 16), 'Independent Colleges/Universities' (checked, with an orange circle icon and the number 56), and 'NC Community College System' (checked, with a blue circle icon and the number 58). Below the filters, a map of North Carolina shows the locations of the colleges offering the program, marked with blue dots. On the left side of the map, a list of colleges is displayed, including Asheville-Buncombe Technical Community College, Cape Fear Community College, Central Carolina Community College, Central Piedmont Community College, Coastal Carolina Community College, Fayetteville Technical Community College, Forsyth Technical Community College, Guilford Technical Community College, Isothermal Community College, Martin Community College, Montgomery Community College, Nash Community College, Rowan-Cabarrus Community College, Alamance Community College, and Wake Technical Community College. The 'Guilford Technical Community College' entry is highlighted. To the right of the map, a detailed profile for Guilford Technical Community College is shown, including its City (Jamestown), School URL (http://www.gtcc.edu/), Type (two-year, four-year, public, private), and CFNC College Profile link (https://www2.cfnc.org/#/institutions/6534/campusProfile).
